Hello everyone,

It's time again to ask for CAFO numbers. Please update the attached table [2013 EOY CAFO permit actions] with your CAFO permit numbers through September 30, 2013. These numbers will be reported to EPA management to reflect each state's CAFO permit actions during federal FY13. Note, the numbers included in the attached table are the numbers reported by each state this past June or July, please update where applicable.

As a reminder, the yellow highlighted columns should include total numbers and the columns not highlighted should include numbers for applications and actions in federal FY13.

PLEASE RETURN YOUR UPDATE NO LATER THAN COB, OCTOBER 3.

Please contact me if you have any questions.

Thanks

julianne
